New Sidewalk

Unfortunately, our brand new sidewalk is not available to walk on yet so please refrain from using it until we receive word from the construction company that it is ready for use.

Chewing Gum

We have noticed that gum has been found on the floors and even in the water fountains around the school. This poses a hygiene and maintenance issue. Please remember to dispose of your gum properly in the designated areas and help us keep our school clean and pleasant for everyone.

If any more gum is found in the areas mentioned above, we will reinstate the **NO CHEWING GUM** policy.
